The notice of intended action was published in the Administrative Bulletin on November 25, 2015, was reviewed by the Administrative Rules Review Committee on December 8, 2015, and reviewed at a public hearing December 15, 2015. The adopted rule would be identical to the noticed rule.

**b. Proposed for Notice of Intended Action.** This is an amendment to 653 IAC Chapter 17, “Licensure of Acupuncturists.” The Board noticed a similar amendment on October 16, 2015, but terminated that rulemaking on December 10, 2015, and directed staff to revise the amendment so that it was not in conflict with Iowa Code 148E, “Acupuncture.” The revised notice is intended to update language, identify diagnostic and treatment modalities performed by acupuncturists, provide more definitions on words and terms used in Chapter 17, and authorize the delegation of certain acupunctural services to staff and patients who are properly trained by the licensee.
